

COOKIE POLICY v1_26092026

This Cookie Policy describes the use of cookies by Calenvio.

ABOUT COOKIES

Cookies are small text files that are downloaded to your device (computer, smartphone, iPad, tablet, etc.).

WHAT COOKIES DO WE USE

We currently only use cookies that are strictly necessary to provide the service you have requested, specifically for uninterrupted login and application usage. We do not use cookies for analytics, advertising or tracking user behavior.

In accordance with Art.5 (3) of the **Directive 2009/136/EC of the European Parliament and of the Council of 25 November 2009** ("E-Privacy Directive"), cookies that are strictly necessary to provide a service that the user has explicitly requested (in this case: logging into the application) are exempt from the obligation to obtain prior consent. Without these cookies, logging in and using the application would not be possible.

THIRD PARTY COOKIES

We do not currently use Google Analytics or any other third-party cookies for analytics or tracking. If we introduce such cookies in the future (e.g. for analytics or linking data between the web and the app), we will ask for your consent via an appropriate notice (cookie banner) before using them and update this Policy.

COOKIE MANAGEMENT

Since all cookies we use are necessary for the service to operate, disabling them through your browser settings may prevent you from logging in and using the application.
